

Vote **YES** on the Youngstown Community Bill of Rights

✓ "Employment levels increased by less than 1% in 15 eastern Ohio counties where the highest number of horizontal shale wells have been drilled. They attributed the slow job growth to out-of-state companies importing their own workers with highly specialized skills rather than waiting for Ohioans to be trained." —Study by Levin College of Urban Affairs, Cleveland State University, cited by *Cleveland Plain Dealer* 8/22/13

✓ VERY FEW OF OUR SKILLED TRADESMEN GET HIRED TO BUILD PLANTS, PIPELINES—ALL ARE TEMPORARY CONSTRUCTION JOBS

✓ WE GET TEMPORARY JOBS TRUCKING CHEMICAL-LADEN, RADIOACTIVE FRACK FLUID

DON'T LET YOUNGSTOWN BE A "SACRIFICE ZONE."
NO FRACKING INSIDE THE CITY OR OUR WATERSHED!

Vote **YES** Nov. 5th.

"Ohio, years ago, took oversight of this drilling industry away from the federal government. Give it back. Now." —Todd Franko, Ed. The Vindicator, 1/22/12
