

A Dialogue With Lois Gibbs

Friday, March 13, 2015

7PM - 9PM

First Unitarian Universalists Church
of Youngstown

1105 Elm St., Youngstown OH

Free and open to the public.

Lois Gibbs, led a heroic, historic, and successful effort to protect her family and community from toxic waste pollution at Love Canal, near Niagara Falls, New York in 1978 to 1980.

Come share ideas and solutions to help prevent our area from being a toxic frack waste dump zone for out of state radioactive waste. We are not a sacrifice zone!
